

OIFP3052

Front plate

H	269
W	485
h	255
w	471
Item no.	OIFP3052

Description: Front plate for components, with a protection film in one side.

Material: 3 mm aluminium.

Pack quantity: 1 piece. Mounting accessories are supplied with the control panel OICP and in OIDES.

The front plate can be mounted and removed easily. Equipment, such as a touch screen, can thereby be installed easily. The plate protects installed electrical equipment from the environment as well as personnel from injuries when it is mounted.
