

CDPZ06

Mounting plates

W	600
h	427.5
w	530
Item no.	CDPZ06

Description: Can be used in top section and desk unit, also as a separation plate between desk and base.

Material: 2.5 mm galvanized steel.

Pack quantity: 1 plate with mounting accessories.

The steel mounting plate contributes to speeding up the assembly of the top section and desk unit of a console, since it can be machined easily and equipped with components before being mounted.
