

KM10B

Aansluitklem aarde 5 x 16 mm<sup>2</sup> + 5 x 10 mm<sup>2</sup>

#### Technische eigenschappen

##### Stroom / temperatuur

|                 |      |
|-----------------|------|
| Nominale stroom | 60 A |
|-----------------|------|

##### Uitvoering

|              |   |
|--------------|---|
| Aantal polen | 1 |
|--------------|---|

##### Materiaal

|       |       |
|-------|-------|
| Kleur | Groen |
|-------|-------|

|          |      |
|----------|------|
| RAL-code | 6032 |
|----------|------|

##### Aansluiting

|                                  |                                        |
|----------------------------------|----------------------------------------|
| Aansluitdoorsnede schroefklemmen | 1x 25 + 8x 16 + 29x 10 mm <sup>2</sup> |
|----------------------------------|----------------------------------------|

##### Duurzaamheid

|                 |    |
|-----------------|----|
| REACH-SVHC vrij | Ja |
|-----------------|----|

|              |    |
|--------------|----|
| RoHS conform | Ja |
|--------------|----|
